

Memorial Crosses

A special way to
remember your loved one . .

Elizabeth Ministry Wall of Remembrance

There is a special spiritual solidarity which binds together the faithful on earth and those in heaven. We invite you to enroll your loved one in our "Heavenly Board of Directors."

Through their intercession, the outreach of Elizabeth Ministry receives many graces. Each day as we walk the hall it will be a constant reminder of their presence. One side of the wall is dedicated to precious little ones who died too soon through miscarriage, abortion, stillbirth, infant or child death. The other wall is for remembering adults.

Acknowledgment cards for the family of the person being remembered, are available.

You may order online or fill out this form and return with donation to:
